CASA’s Message

Joan Y. Cross, Chairperson

This last few month’s for CASA has been very busy and very gratifying:

In December the Prescription Drug Disposal that CASA and the LGMS-Police Department held collected **over 200 pounds** of old, unwanted or expired prescription medication.

At Fisher Middle School in February was very excited about a Healthy Lifestyles/Drug Free week. They handed out over 200 bags of popcorn at their event!

Drug Free Week in March at Los Gatos High School was one of the

most energetically attended and interactive that we’ve had in years!

The annual CASA fashion show at Los Gatos High School was themed “Hollywood – a Red Carpet Affair” and was a very ‘swank’ and well attended event! The students introduced a new twist to the event by adding an introduction video – to get everyone in the mood. One of the town stores also trained our models to do a short Kick-boxing demonstrations! There were fabulous fashions created by students and modeled by students, as well as many Los Gatos stores clothing being modeled. To see a list look further in the newsletter! Many students were also working behind stage on hair & make-up, stage design, props, tickets sales, posters graphic design and more, even baking and selling cupcakes! Every year CASA attempts to get more and more of the student body involved in this wonderful community event.

CASA and the Venue are teaming up for joint events again. Our first was a Saber Cats night on opening night March 11th – where 161 students attended the joint event!

Next Venue/CASA event is Bowling Night May 13th!

Don't forget the Venue-A-Thon on KCAT TV, May 15th. Watch our local children's talent and call in with a pledge!!
